

# Science Drama Awards 2017

## Entry Form

### Science Drama **promotes...**

- Innovation
- Engagement
- Expression of scientific knowledge in different ways
- Creativity
- Cooperative Learning

### Competition Rules

1. Victorian students in primary and secondary schools are eligible to enter.
2. Schools may submit more than one entry.
3. The duration of the performance should be no longer than 10 minutes.
4. A performance may include up to 30 students.
5. Each performance must be managed by a coordinator (teacher in charge) who is responsible for active liaison with the Science Drama Committee.
6. Background music and songs produced by students can be freely used.

### Suggested Performance Guidelines

#### Performance styles

1. Two minutes is allowed for set up and pack up before and after the performance.
2. Performances may be performed against a black or white background.
3. Lighting requirements must be simple.
4. All props must be removed in the two minute period.
5. Performers and their supporting staff are responsible for assembling, positioning, dismantling and removing stage props. All props, etc. must be collected immediately after the show concludes. Items not collected after 20 minutes will be placed outside.
