

Self-assessment checklist - CREATIVE WRITING

NAME HG

Topic chosen:

CRITERION	H (5-6)	M (3-4)	L (1-2)	NS (0)
Scientific Content including:				
• Have I listed/identified at <u>least five</u> basic scientific ideas? (These must be clearly listed at the end of your written piece.)				
• Have I included an appropriate amount of scientific content?				
• Are the scientific ideas used accurate and correct?				
• Have I woven the science ideas into the story in a way that makes it believable?				
Expression:				
• Have I expressed my story clearly so it makes sense to the reader and develops a sensible story line?				
• Have I checked my spelling and grammar?				
• Have I used my own words in the text. (Copying text directly from software or the Web is plagiarism, and is unacceptable).				
• Is my story original and have I told the story in a creative way?				
Format:				
• Have I started with an interesting introduction to capture the reader's interest?				
• Have I used a creative and original format for the story				
• Is my story between 700 and 1000				
• Have I used a variety of resources?				
• Is my story neat and tidy, including a face sheet with the title and author's name and home group on it? Have I collated and stapled the pages into a manila folder (not a plastic protector pocket) with my name on the outside?				
• Have I included, on a separate sheet , any <u>References</u> I used in the text of my story, and a <u>Bibliography</u> (list of books, web sites, etc. that I used as background for my research)?				
• Total Score for STORY / 84 ←
